This application provides instructions for indicating first, second and third choices for multiple category applications. Vacancies in all membership categories will be filled on the basis of date received and highest priority. EXAMPLE: If after filling all Family memberships there are still openings in the Associate or Senior categories, the earliest dated applications with Family indicated as # 1 and Associate # 2, an Associate membership would then be offered . . . and so on until the membership categories are filled, or all applications processed.
