

NEW Ausblick Men's Ski Performance Tweak

Ausblick Men's Ski Performance Tweak is for skiers who want to take their skiing to a new level. Instructor/ Coach Chad Poepping (Chad is the highest level of Professional Ski Instructor of America,(PSIA) and former head WJR coach for Ausblick Race Team) not only will improve your skiing; but enhance your understanding of the sport you love and make that connection even stronger.

Chad specializes in creating a unique experience that explores specific attributes of great skiing and technique. Feel what it's like to get more performance out of your skis. It includes a video study, reading the terrain and conditions, using turn shape to attack the hill while maintaining speed control and recognizing your skiing strengths.
