

Intro to Race

Designed for students interested in learning the fundamentals of racing on snow, with an eye toward joining the Ausblick Race Team in the future. Coaching will focus on developing ski skills with a race emphasis using the USSA Skill Quest and PSIA core concepts as a guide. Night skiing through race gates with an Ausblick coach/instructor is included in the Intro to Race program. This program is extremely popular and limited to 26 participants.

Meet the Instructors at the Red Flag at the handle tow the first night.
