Our trained staff will engage your child in a world of wonder and fun sliding on snow! Our unique indoor and outdoor resources help each child learn to ski and explore the Ausblick terrain on their own terms. Approximately 1.5 hours is on the snow with a break and snack after the first 45 minutes. This is for skiers of all levels, beginners to advanced, and we use all terrain on the hill. Ratio is between 2 skiers per instructor. You sign up for the dates you want. We are limited to 10 or less per time slot.

Take your child to the yurt before the lesson and an instructor will meet you and escort your child into the yurt to receive a vest. No parents are allowed in the yurt for the time being.
